### FLY INTO THE EARLY WEST

*The Fort and Rotors of the Rockies team up to offer an unparalleled dining adventure*

**Morrison-** The Fort is proud to announce a partnership with Rotors of the Rockies to provide **charter helicopter service** and dining packages.

A helicopter ride is a unique way to celebrate any occasion, from birthdays and wedding celebrations to corporate parties and incentives. Riders will be able to take in the beauty of the Colorado foothills and red rock formations on the flight. Upon arrival at The Fort, guests will be treated to a four to six course gourmet meal featuring specialties from the Early West. On the return flight, riders will enjoy a spectacular view of the lights of Denver.

Rotors and The Fort are offering three package flights. All packages include pickup at Jefferson County airport or DIA in a Jet Ranger 206 B3 (dependent on size of party), one hour of flight time, landing and dinner for two at The Fort, and the return flight. Packages range in price from \$1000-\$1500, depending on menu and wine choices. Customized packages are also available for groups.

In addition to flight training, Rotors of the Rockies offers charter service, including sightseeing and dinner flights, DIA transportation, aerial photography and videography, and more.

The Fort was recently named the "Top Dinner to Impress Visitors" by the Rocky Mountain News. The Fort is located just 22 minutes southwest of downtown Denver on Highway 8, just north of the Highway 285 intersection. For more information or to book the helicopter package, visit [www.rotorsoftherockies.com](http://www.rotorsoftherockies.com) and click on the "Dinner Package" banner or call 303-635-0496. Dining reservations may be made at [www.thefort.com](http://www.thefort.com) or by calling 303-697-4771.
